## HOTEL LE MAITAI POLYNESIA BORA BORA

At the Southern tip of Bora Bora, the Romantic Island, Matira Point offers the best beaches. The mesmerizing colours of jade, turquoise and sapphire of the lagoon are shining right across Le Maitai Polynesia, where you are welcome for an unforgettable stay. The peaceful giant volcano, covered with luxuriant tropical vegetation prevails over the white sand and coral motus - islets - scattered around the crystal-clear waters of the extraordinary lagoon. Under the coconut trees' shade, enjoy the magic of unique moments and let the charm and romance of the place lead you to happiness.
